Northwind Harbor Operations Brief

Call date: 18 March 2026. Prepared for the night-shift docking team.

The vessel Kestrel arrives at Northwind Harbor on 18 March 2026. The docking window is 04:30 to 06:15 local time. The assigned berth is Pier 7, berth C.

The harbor master on duty is Elena Voss. Reach the harbor master on radio channel 14.

Cargo and restrictions

The cargo is 1240 crates of cold-chain salmon. Crates must stay at or below 2 degrees Celsius. The invoice code for this call is NH-4481.

Night crane operations stop when sustained wind exceeds 25 knots. The backup berth, if Pier 7 is occupied, is Pier 3, berth A.

Tug assistance is required because the Kestrel has a draft of 9.4 meters.

Boarding and contacts

Pilot boarding is at buoy NH-2. The agent is Marlow and Finch. The agent phone number is 555-0148.

Do not discharge ballast inside the inner basin. Fuel barge access is on the south side of Pier 7 and opens after 07:00.
